

THE BROASTER COMPANY

Deli and Display Cases

4 ft. Perfect Hold™ Broaster® Deli Case (PN 85701) paired with matching Broaster Metal Module (PN 93166)

The Broaster Company has the perfect way to display and merchandise a variety of hot foods with countertop or complete deli cases and single and two-tier Euro-Style or Standard heated display cases.

Broaster Perfect Hold™ Deli Cases offer the latest in state-of-the-art merchandising and optimum food presentation. Individual timers for each pan row allow you to hold food for the exact time and temperature that you set. Simplified controls offer uniform food warming. With the 6 ft. model, two heated wells are equipped with individual thermostats for dual zone heating. It's show and sell at its best.

No matter what or where you want to display, The Broaster Company gives you choice after choice backed by the quality and workmanship you've come to expect.

- **Choice of nameplate: *BROASTER® DELI* or *HOT FOOD DELI***

*Model GRCD-3PD Euro-Style
two-tier heated display*

*Model GRHD-3PD Standard
two-tier heated display*

HEATED DISPLAY CASES

These heated display cases are constructed of stainless steel with an aluminum base that is cool to the touch. The cases are designed for “show and sell” areas in any foodservice operation. Incandescent display lights illuminate the cabinet interior. An exclusive infrared heat pattern combined with the heated base keeps all food at that “just made” taste and temperature longer.

EURO-STYLE models provide excellent product visibility with curved, tempered glass front.

STANDARD models feature full-view tempered glass front and sides in place of Euro-Style curved glass.

All models accommodate full or half size pans and have rollerless sliding glass doors. Choose from single-tier and two-tier models in both styles.

Refer to the back page for specifications and dimensions on all models available.

When counter space is at a premium ...

V4 MERCHANDISER

Now, it's easy and affordable to showcase hot foods at their delicious best using less than 2 sq. ft. of counter space with the compact V4 Vertical Display Merchandiser.

Four revolving tiers hold removable pans for easy loading and unloading of foods. Clear glass doors, lit interior, and illuminated topper attract attention, while still being so simple to operate. Just load foods, set the temperature control, and you're in business!

The V4 Merchandiser is easy to access, easy to clean, and economical to operate.
